HISTORIC RACING & Technology

Mediapack 2021
LAUNCHED in 2014, this exciting bi-monthly magazine brings a fresh perspective to classic and vintage motorsport, showcasing today’s technology in yesterday’s cars.

Uniquely, Historic Racing & Technology is dedicated to the engineering and craftsmanship found in today’s historic racing industry. Inside you’ll find in-depth technical articles on preparing, racing and restoring historic cars in the modern era.

BY THE INDUSTRY FOR THE INDUSTRY
Historic Racing & Technology has rapidly established a keen following among professional engineers and home enthusiasts alike. Ranging from club competitors to those involved with major international events, it covers every aspect of classic and vintage motorsport. Topics include engine building, coachbuilding and bodywork, reverse engineering techniques and manufacturing. Each issue is packed with technical articles, feature cars and product news with machinery ranging from the very earliest days of motorsport, right up to modern classics such as Group C and Super Touring cars. Written by some of the most experienced journalists and engineers in the industry, it provides an unparalleled link to this fast-growing and extremely lucrative market.

DISTRIBUTION
Reaching a highly specialised audience of over 6,000 engineers, owners and enthusiasts worldwide, Historic Racing & Technology is a truly international publication, backed up by rapidly growing digital sales and social media.
